Honorary Awards Judge: Carol Irving

Driven by a love for her materials, Carol Irving weaves bright and stimulating images. She seeks to convey her passion for color and design with excellent craftsmanship on a loom in much the same way people have been weaving for centuries.

"I've woven many things, but nothing gives me more pleasure than rug weaving. It is a continual challenge, offering the opportunity to explore a variety of techniques as well as studies in design and color."

Currently Carol's work is being featured in the Art and Soul art show in Idaho and she is preparing for a solo show here at the Bonifas in January 2018. Beyond being a productive artist, Carol has been an active in the arts community as a teaching artist, a mentor, and a volunteer at the Bonifas. She has served on both the Bay Area Arts and Bonifas Arts Center Boards.
